

1. From the village of Jacobstowe and at the main crossroads head south along the track; the Tarka Trail. Continue on this track for about 2 miles until a cross roads is reached at Goldburn Cross. Turn right and continue on this road, down and up a steep valley, eventually reaching Folly Gate.
2. At Folly Gate head across the crossroads and follow the road to Inwardleigh, the road heading downhill just before the village is reached. At the war memorial take the right hand fork in the road and follow this road as it passes through a sharp left hand and a sweeping right bend to the turn on the right to Norleigh Barton. Follow the road around to the left.
3. At the next junction take the right hand fork and continue over Gribbleford Bridge following the road all the way to the main road just outside Hatherleigh.
4. Turn right and head towards the town, across the bridge. Just past the school turn right and head uphill and keep on the road until the Tarka Trail is reached overlooking Hatherleigh Moor with views to Dartmoor.
5. Turn right onto the Tarka Trail and follow it all of the way to Jacobstowe.

This ride can be combined with routes 8 and 9 or can be incorporated into a longer tour of Ruby Country using more of the cycle routes available to download from the website. The Tarka Trail can be followed all of the way to Okehampton, Bideford and destinations beyond, as part of a bicycle touring holiday.
